The Financial Literacy Team would like to remind you about the importance of reviewing and completing the U.S. Department of Education’s online loan counseling tutorial. The tutorial, known as Exit Counseling, is designed to prepare you for your upcoming student loan payments and is also a federal requirement. The Exit Counseling process can be completed by visiting the National Student Loan Data System (NSLDS) website, nslds.ed.gov. NSLDS will help you keep track of your borrowing history and lender contact information.

To get started you will need:
• 20 to 30 minutes to complete the session
• Your Federal Student Aid PIN; if you are unable to locate your PIN, you can recover it by clicking here: https://pin.ed.gov/PINWebApp/PINServlet?state=100&locale=en_US
• The name, address, and phone number for two references

Once you are prepared, follow the steps below to begin the tutorial:
1. Click here to get started on your Loan Exit Counseling http://www.nslds.ed.gov/nslds_SA/SaEcWelcome.do
2. Remember to click the Start button under Loan Exit Counseling
3. Follow the on-screen prompts and input the requested information to proceed
4. Print the Congratulations page for your own records upon completion

Once you have completed Loan Exit Counseling, fill out and return the Student Borrower Contact Information Update Form https://devryonline.biz/sf/StudentBorrowerContactForm.pdf You can fax it to our secure fax number, 866.786.9389. The Financial Literacy Team will review your account and confirm with NSLDS that your Exit Counseling and form has been completed.
